Тема: Софткей: 174964.620133 PL/SQL Developer order

Hello,

Thank you for the order. The registered version of PL/SQL Developer can be downloaded from:

<http://www.allroundautomations.com/registered/plsqldev.html>

Username: pls

Password: tv981jn

To install the software you need a product code. This code includes information about the ordered product, version, licenses, service contract and more. This is a personal code that you should NOT distribute to others.

Product code: 2HL3 - FGP7 - NC23 - Y9PM - SSGU - 7JQL

Product: PL/SQL Developer

- Serial number: 83.24333

- Licenses: 50

- Base version: 6.0

- Service contract expiration date: No service contract

The serial number is a unique number per customer. The Base version is the version for which you can download patches. If you have a service contract you can download any version, until the contract period has expired.
